acquisition and rehabilitation package, if a decision is taken to set up a plant at the said site. It is premature at this stage to give the Government's reaction on the subject until site investigations are completed and a decision taken for setting up a Project. However, a project at this site will depend on the ultimate suitability of the site and clearance from Atomic Energy Regulatory Board on safety angle and from Ministry of Environment and Forests from environmental angle.

THE MINISTER OF LABOUR (DR. SATYA NARAYAN JATIYA): (a) to (c) The Labour Bureau collects information on closures effected under the Industrial Disputes

†Original notice of the Question was received in Hindi.

(ID) Act in both Central and State sphere. According to this information, the number of establishments, which were closed down during 1997, 1998, 1999 and 2000 were 154, 175, 159* and 136* respectively. The number of industrial units closed under the ID Act without informing the Government, is not maintained by the Labour Bureau. However, based on information collected from the Central Industrial Relations Machinery (CIRM), 167 cases were identified in the Central sphere where closure of industrial units under the ID Act was effected between 1997 to 2000 without informing the Government. These establishments had closed down under statutory/Court orders or had closed down after transferring workers to other establishments. Other units, which were closed down without informing the Government, had been employing less than 50 workers. Information on establishments in the State sphere, which had closed down without informing the government, is not maintained by the Central Government.

Handling over of old Army horses to Serum Vaccine Firms

*359. SHRI SATISH PRADHAN: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that old horses of the Army were handed over to the serum vaccine firms, leading to their painful death; and
